## ABOUT ME

As 3rd year Computer Science student at Bahir Dar University with a strong passion for front-end web development. I enjoy turning ideas into interactive and visually appealing websites. I'm currently focused on building responsive, user-friendly interfaces and improving my skills through personal projects and continuous learning. I'm eager to gain real-world experience through an internship where I can contribute to a creative team, grow as a developer, and build impactful web applications. I'm a fast learner, detail-oriented, and always excited to take on new challenges.
